J. No. 83/25-24 Dated 5-6-25 Received 10.6.25.

Diary No. 5242 Enclos. Spare Copies. Serial No. 1

BRIEF ABSTRACT OF LETTER.

Furnishing the work statistics and requesting for reasons given that the arrangement of holding the itinerant Magistrate's Court at Tirthahalli be made permanent and extended to Sorab Shikaripur, and requesting also that a building at a cost of Rs 5000/- be constructed at Tirthahalli to house the Courts

NOTES AND ORDERS.

Submitted for orders. Whether the statement of work done by the itinerant Magistrate at Tirthahalli is sufficient to make the arrangement permanent and to extend the same to Sorab & Shikaripur and for Rs

considerable. The amount of work that has accrued & the absence of the Asst Magistrate at Dibrugarh have been stated. The chief evil has perhaps to be considered in the matter. The scheme may probably be tried for some more time, and the public opinion also formed upon its value is made permanent and extended to other places.

Submitted for perusal.

2) The report of the Dy Inspector on the working of the Itinerant magistrate at Dibrugarh is of opinion that the system is working satisfactorily to the advantage of the people and at a small average cost of Rs 77/- odd a month.

3) He also points out that the system has not interfered with the duties work of the magistrate.

4) The further proposes to have the system introduced for the talukas of Sonari and Shibsagar. But he does not suggest the magistrate who should itinerate in those places. If approved detailed proposals and proposals may be called for giving statistics as to the people in those talukas.

Ree D.C. also proposes the erection of a building at Thirthalli for locating the itinerant mobile court. Being an experimental measure, it may not be worthwhile to erect a building now.

~~Apart~~ There is a requisition from the people of Belur that the Spl mobile at Sakleshpur may ~~therefore~~ itinerate to Belur. ~~It~~ Since the D.C. Shimoga ~~has~~ speaks well of the system, it may be continued for a year more.

To

B a n g a l o r e .

Sir,

With reference to para 5 of G.O.No:P.3178-82 Cts. 212-21-19 dated 20th December 1924 calling for a report as to the working of the Special Second Class Magistrate's Court at Tirthahalli, I have the honor to forward herewith for favour of information of Government a statement of work done by the Special Second Class Magistrate of Shimoga during the period he held his court at Thirthahalli for the trial of Criminal cases arising in that Taluk.

2. It is seen from the statement that he has held his court at Thirthahalli for 37 days in all as noted in the margin, during the five months ending with May 25 and disposed of 23 cases involving 52 persons. There were 7 cases pending when the scheme was brought into effect and 23 cases were since then instituted making the total of cases to be tried at Thirthahalli to 30. Out of these, 20 were Government cases and 10 taken on file on private complaints.

1. January 1925	No. of days.	6	
2. February 1925.	"	8	
3. March "	"	8	
4. April "	"	7	
5. May "	"	8.	

3. Out of 23 cases disposed of, 1 case was transferred to the Bench Magistrates' Court at Thirthahalli, 11 cases ended in the conviction of 12 persons, 1 in the acquittal of a single individual and 10 in the discharge of 38 persons. The number of cases pending on the

the date of this report is 7, involving 24 persons.

4. 158 witnesses in all have been examined during the period.

5. A sum of Rs. 283-9-0 has been spent out of the Special grant of Rs. 800/- sanctioned on this account up to the end of May 1925 and a sum of Rs. 103-2-0 is reported to have been paid from the Police Budget to the Prosecuting Sub Inspector towards his travelling allowances. In all the scheme has been worked at a cost of Rs. 386-11-0 giving an average of Rs. 77-5-0 per month.

6. Considering the amount and nature of work turned out during the last five months at Thirthahalli, the holding of the Court once a fortnight there, is really beneficial both for the speedy disposal of cases at less cost and also for the convenience of the parties who are saved much expense and worry in travelling a long distance to Shimoga particularly during the monsoon weather.

7. Besides, the Special Second Class Magistrate, Shimoga has jurisdiction for the trial of Second Class cases arising in the Taluks of Shimoga, Channagiri, Honnali and Kumsi Sub Taluk and he has been also invested with power to ~~convict~~ commit cases under Section 206 Criminal Procedure Code. There were 71 cases pending on his file on 1st January 1925 relating to the Taluks referred to above 116 cases were since then instituted making in all 187 cases for disposal. Of this number 137 cases were disposed of reducing the number of pending cases from 71 to 50. It will thus be seen that the holding of the Court at Thirthahalli, in no way hempers the work of the Magistrate at Shimoga.

8. Under these circumstances I am of opinion that this arrangement may be made permanent and extended also to other Taluks such as Sorab and Shikarpur in this District. In this connection I beg to point out that separate accommodation for holding this Court is absolutely necessary as it is causing great inconvenience not to mention of the dislocation of work in the Taluk Office by this itinerant court occupying the court-hall of the Amildar for nearly 7 to 10 days in a month. The Court of Bench of Magistrates is located in a small room and it requires

to be

3

to be shifted to a rented building. I would therefore suggest that if a building at a cost of Rs 5000/- is constructed, it will be serviceable to both these courts.

I have the honor to be,

Sir,
